

2009 Mac's Twin Bay Kid's Fishing Contest

It's hard to believe, but the **16th Annual Mac's Twin Bay Kids Fishing Contest** has already come and gone. Great fun for 152 kids and their parents again this year! Imagine that it all started with an idea from Kevin's mom, Dusty, back in 1994. Back then we didn't have quite as many kids, but the traditions of gift bags and trophies and lunch were started right away. It's an annual event we look forward to every year.

This year the weather was gorgeous again. It's always so much fun to see all the smiling faces—kids, parents, grandparents, volunteers—no one can resist smiling while watching these kids get excited about fishing.

All the kids tried for the “big one” and we definitely saw some nice fish at the scales.

Here are the winners (L to R): Most Fish Blake Zortman, 3rd Place Brady Peterson, 2nd Angelina Hanson, 1st Nia Martin

Then we had a great lunch from

Buzzie's—and some cool prizes. Thanks to donations from sponsors like the Isle Sportsmans Club, Cabela's, Humminbird, Minnkota, Evinrude, Pepsi and more... and some great guides (Chris Meyer, Dereke Voge, Jack Dunn), there were many happy kids heading home. Top prizes and trophies went to the top 3 big fish and the kid with the most fish. But the door prizes can blow you away! So many kids get to take home a special prize just for fishing with us.

Every year we have incredible volunteers and we can't thank any of them enough. Buzz and Kelly provide a great meal.

John and Kristy help coordinate a lot of the details. We have neighbors and friends and folks from the community to help with registration, setup, on the docks, handing out prizes...so much goes into this event it's just amazing!

We'll see you next year for our 17th annual Kid's Contest!

Karen & Kevin McQuoid, Mac's Twin Bay Resort
